GENERAL PRODUCTS CATALOG

A direct supplier to government agencies

STATE OF HAWAII
STATE PROCUREMENT OFFICE
HONOLULU, HAWAII

TO: Chief Procurement Officers
Executive Departments (except DOE)
Hawaii Health Systems Corporation

From: Lloyd I. Unebasami, Administrator

Subject: SPO CI List No. 00-5
Products and Services Furnished by the
Hawaii Correctional Industries
Department of Public Safety

Pursuant to Section 103D-102(b)(3), HRS, governmental bodies are exempt from Chapter 103D, HRS, when procuring "... goods, services, or construction from a governmental body other than the University of Hawaii bookstores, from the federal government, or from another state or its political subdivision...". Further, pursuant to §354D-6(d), HRS, the administrator of the State Procurement Office (SPO) shall provide a list of goods and services available from the Correctional Industries program (CI) that State agencies may purchase.

Therefore, this is to advise that agencies are free to purchase from CI, without bidding, the following CI manufactured or produced goods and services, *even though State Procurement Office (SPO) price lists are issued for comparable goods and services:*

1. Office modular furniture and related components;
2. Ergonomic office seating;
3. Desk based systems;
4. Printing services;
5. Textile and sewing;
6. Computers and related programs;
7. Furniture refinishing and reconditioning; and
8. Office services: Multimedia presentations;
 Banners and posters;
 Large scale scanning;
 Document scanning; and
 CD duplication.

Attached brochure explains the CI program and the goods and services offered. This brochure is also available on disk and CI will send you the disk upon request. SPO will advise of any additions or deletions to the above listing.

If you have any questions on the CI program and the work they perform, please contact Curtis Collins of CI, telephone 486-4883.

About HCI

Hawaii Correctional Industries...

is a division of the State of Hawaii, Department of Public Safety. HCI is required by state statute to be self supporting, while providing a comprehensive work program for inmates. HCI is restricted to sell only to government and non-profit agencies.

This creates an inherent necessity to cultivate and retain long-term business relationships with all of its customers. This is accomplished by providing quality goods and services at competitive prices.

HCI offers a broad variety of products including:

- Office furniture
- Institutional bedding
- Sewing and embroidery
- High speed printing
- Janitorial chemicals

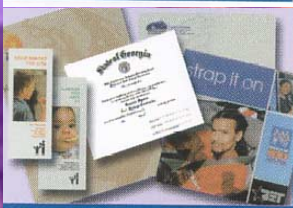

Call us today...

(808) 486-4883 or fax (808) 488-4999

Hawaii Correctional Industries...

HCI's product catalog provides an amazing array of products, which offers sensible solutions to government facility managers and administrators.

In the pages to follow, you will find more choices in stylish office furniture: Functional institutional supplies including bedding and garments and janitorial chemical products, a variety of printing services from small and large press work to high speed copying and digital color, and finally custom embroidery services and garment manufacturing. All offerings are rounded out with attractive pricing, so call now....

Our sales professionals are waiting to provide you additional product information and pricing...

General Information

Ordering

Orders may be transmitted via fax or mail. Please provide the following information on your order:

- Agency name, billing and shipping addresses, and phone and fax numbers
- Product number, description, color, and price for each item
- Any special instructions regarding delivery or billing
- Approved Purchase Order

Orders may be sent to:
Hawaii Correctional Industries
99-902 Moanalua Road
Aiea, Hawaii 96701
Phone: (808) 486-4883
Fax: (808) 488-4999

Invoicing

Invoices are generated and mailed at the time of shipment. Payment terms are Net 30 Days. Please make your remittance payable to Hawaii Correctional Industries and return one copy of the invoice with payment to insure proper credit.

Warranty

Hawaii Correctional Industries will repair or replace, at its exclusive option, any alleged defective item or component it manufactures, according to the following schedules. HCI makes no other expressed or implied warranty regarding any product it manufactures.

<u>Product</u>	<u>Warranty</u>

Office Seating, 24-hour use	On structural integrity and on upholstery
Metal File Cabinets	Structural integrity
Modular Panel Systems	On structural integrity and on upholstery and glides
Tables	Structural integrity
Mattresses, Pillows	Structural integrity
Chemicals	Stated shelf life of product

Changes

Items may be discontinued or modified in design or appearance. If there are changes with any item on your order, you will be notified by your Sales Representative before the order is processed.

Prices

Current price list are available; please call your HCI Sales Representative.

Cancellations

Cancellations must be received by our HCI Sales Representative Customer Service Department at least 14 calendar days before the scheduled delivery date in order to avoid restocking fees. Custom orders, or those that require a special fabric or laminate selection, cannot be cancelled once the work has commenced.

Receiving

When merchandise is received, if shipping damage or other defects are noted, please do not accept the merchandise. Please make a note of the damage on your copy and the driver's copy of the delivery receipt and have the driver sign

both copies . If concealed damage is found after the driver leaves, you must report it to the Sales Representative immediately after delivery in order to preserve your right to return the damaged merchandise and receive proper replacement or credit.

Delivery of Merchandise

All orders are shipped within the State of Hawaii. Delivery is to your loading dock unless otherwise specified.

Return of Merchandise

Please inspect merchandise immediately upon delivery. If you wish to return an item, you must request authorization to do so within 48 hours of receipt. Standard merchandise returned under these conditions will be credited at full value, except with custom orders where a 20% restocking fee may be applicable.

- * In any case, no returns will be accepted after 48 hours.**
- * Custom orders cannot be returned for full credit.**

SYSTEM FURNITURE

provides flexibility and durability within any office setting. By recognizing the challenges our customers face in planning their office space, we strive to meet each customer's specific needs by offering a variety of solutions through our system furniture.

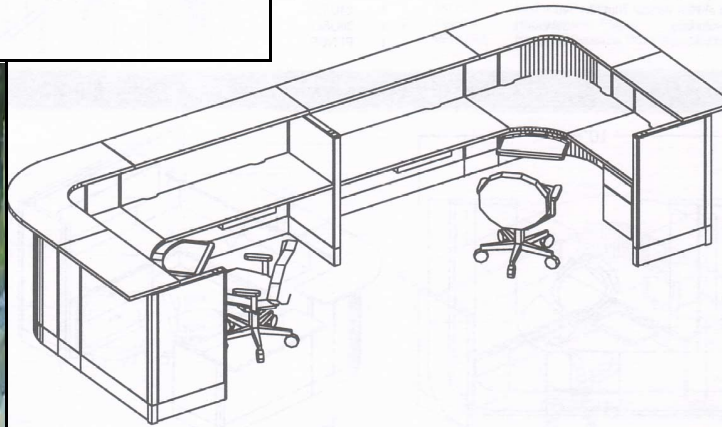

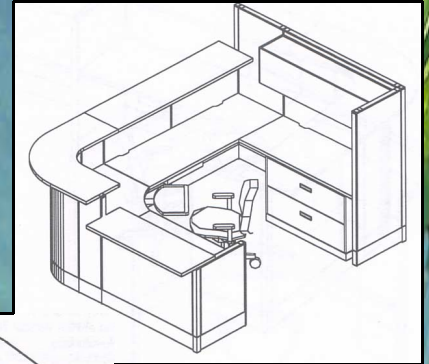

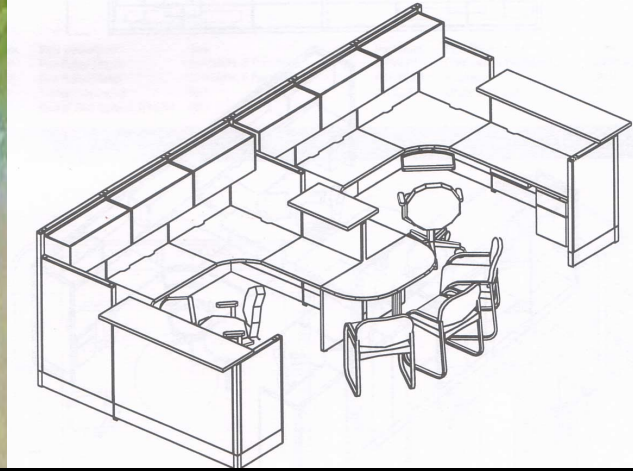

PANEL TO PANEL OR TRANSFORM FURNITURE

By using **PTP** or **TRANSFORM FURNITURE**, customers may adapt to the evolving needs of their office environment. From the receptionist to administrators to managers, **HCI** can provide a comfortable, productive work area for each individual. Our systems accommodates many pieces of electronic equipment while keeping offices functioning smoothly. While utilizing every possible space, our systems portray a clean, stylish image.

PRINTING

HCI Computer Design and Layout

In an effort to offer the best possible service, HCI is pleased to offer computerized typesetting, forms and graphic design services, with high resolution (1200 x 600 dpi). Proofs provided prior to printing.

HCI Four – Color Digital Printing

Hawaii Correctional Industries now provides complete in house service for your 4-color process needs!

How does this help you? First, you can work with one point of contact, your HCI Sales Representative. Most importantly, the integration of these services will produce a savings in money and valuable time.

Call your HCI Sales Representative today for more information.

HCI Four – Color Digital Printing Technical Guidelines

To insure a smooth output in our color match proofing system, please provide your digital files along with a color laser print for reference in one of the following: MAC or PC format on 3.5" disk, ZIP, or CD (CD Preferred).

Computer generated files should be prepared in PDF image format stating whether it is for PC or MAC and should be prepared utilizing distiller setting for print optimization.

Film negatives, if provided, should be 150 line, right-reading, emulsion side down.

Camera ready art should be output at 100 lines per inch if art includes tints.

Text should be at 600 dpi minimum.
